ISTRIANA
Materials & colors

EvolutaCONCRETE®

EvolutaCONCRETE® is Evoluta’s glass-fibre reinforced concrete (GRC), finished by hand. Select the colour and surface character against a physical sample.

Material selection

EvolutaCONCRETE® worktop and stainless-steel fronts; confirm cabinet construction and finish for the project.

The models are 90 cm high. Ulika, Modra and Kampanja colours. Confirm the final construction using the current drawing.

Selection and care

Screen and catalogue colours are indicative. Confirm current finishes, edges and samples with Evoluta. Request care instructions for the selected materials.
